

26.02.2026

Zu Händen der zuständigen Person,

Hatko International Sports Technologies ist seit 2006 als Hersteller tätig und seit 2009 ununterbrochen als FIFA-lizenzierte Hersteller anerkannt. Das Unternehmen realisiert weltweit Projekte im Bereich Kunstrasen und Hybridrasen.

Als eines der weltweit renommiertesten Unternehmen seiner Branche beschränkt sich Hatko International Sports Technologies nicht nur auf die Produktion, sondern übernimmt auch schlüsselfertige Projekte.

Bei der Umsetzung dieser Projekte arbeiten wir mit zahlreichen Lösungspartnern zusammen. Die Bugaz Generalbau GmbH ist seit 1992 sowohl in der Türkei als auch in den letzten Jahren in Deutschland als bekanntes Unternehmen ihrer Branche etabliert. Als Hatko haben wir unsere in der Türkei begonnene Partnerschaft mit der Bugaz Generalbau GmbH nicht nur auf Deutschland beschränkt, sondern auf sämtliche Projekte in ganz Europa ausgeweitet.

In diesem Zusammenhang haben wir in der Vergangenheit bei unseren Projekten in ganz Europa insbesondere im Bereich Infrastrukturberatung sowie Montage eng zusammengearbeitet, und diese Zusammenarbeit wird auch in Zukunft weiter ausgebaut und intensiviert.

Als Hatko International Sports Technologies erklären wir hiermit, dass die Bugaz Generalbau GmbH unser offizieller Lösungspartner für alle unsere Projekte in ganz Europa ist, und legen dies zu Ihrer Kenntnisnahme vor.

Mit freundlichen Grüßen

Hatko International Sports Technologies

HATKO

For Champions

HYBRIDGRASS, the most advanced synthetic grass carpet system reinforcing natural turf, has been developed by **HATKO**, an international brand known with its innovations in the sports surfaces field and having a leading position in the industry. With its patented innovative solution; **HATKO HYBRIDGRASS** combines all the benefits of a natural grass playing surface with the strength and durability of synthetic grass.
